

GREEN SECURITY

Company Manager Guide:

Green Security encourages all Company's and General Contractor's to assign someone within their organization to become a Company Manager.

Company Managers have access to the following:

- Visibility to all company reps or sub-contractors that have begun with the Green Security registration process.
- Ability to make payments on rep or contractor invoices.
- Ability to add or delete new reps or contractors to the Green Security portal.
- Access to rep and contractor scan activity.
- Access to rep and contractor credential status.

How to how to become a Company Manager:

- Contact Green Security's Customer Service Team at 1-866-750-3373
- Tell them you would like to set-up a company manager account
